President's Message

Summer is winding down, schools are back in session and I've attend the first high school football game of the season. As I'm writing this article, I see the hummingbirds are back and I've noticed the first hint of cooler weather. Fall is such a great time to look forward to the cooler weather and activities with fellow AACA members.

In August, we had a great Quarterly Drive and Dine at C'est Bon Restaurant in Mermen-tau. As always, we had a great time with about 60 members/guest attending. Upcoming we have the following:

Fourth Quarter Drive and Dine hosted by Evangeline on October 25 at Jim and Marguerite Ortego's home.

Louisiana Region AACA Meet & Greet Cruisin the Coast . See info in this issue.

The Fall AACA Tour is scheduled to be hosted by Lagniappe, set for November 7-8 in Houma, with tours of Wedell-Williams & Cypress Sawmill Museum on Friday and Henry Shane Collection "Cars of Yester Years" on Saturday. Please see registration in this issue of The Duster. I hope everyone can make the trip.

Thanksgiving Tour set for November 18 – 23 in Nacogdoches, TX. See flyer in this issue.

Christmas Party and Region Board meeting on December 7 at Chef Roy in Rayne, LA. Flyer in this issue. Please mail in your reservation as soon as possible.

I strongly encourage members to invite guest to these events so they can see how much fun our club members are having. These events are great opportunities to get the old cars out and blow off the dust with fall temperatures less taxing on those old air conditioners (if they have one).

Finally, as we move into the fourth quarter of the year, it is time to begin the process of re-newing memberships for the 2026 year. Please help by promptly completing your forms and paying your fees when the officers make them available to you.

God bless,

James Lass

1988 Avanti Convertible

Avantis were originally manufactured by Studebaker Corp. in 1962 and 1963 as a fiberglass coupe. When Studebaker ceased production, **Leo Newman and Nate Altman**, wealthy Studebaker dealers, bought the rights to the Avanti, tooling and stock to continue manufacturing the car in one of the Studebaker buildings in South Bend, Indiana. They called it the **Avanti II** to differentiate it from the Studebaker produced cars. Other owners and partners continued to manufacture coupes and convertibles under Avanti Motor Corporation until 2006. As the company ran out of most Studebaker parts, they began basing the car on GM production cars.

This Avanti, manufactured under the "Michael Kelly Era" in Youngstown, Ohio, is based on a 1988 Chevrolet Monte Carlo (GM 305CID). It is a reliable and road worthy car with 77,038 miles. It doesn't burn any oil and gets average fuel mileage. It rides on 15" original chrome wire wheels. The interior is in good condition.

AACA National First Senior Award, Naples FL in 2016. Only about 250 Avanti Convertibles ever produced.

PRAYER FOR PROTECTION DURING HURRICANE SEASON

BY THE MOST REVEREND MAURICE SCHEXNAYDER
SECOND BISHOP OF LAFAYETTE

O God, Master of this passing world, hear the humble voices of your children.
The Sea of Galilee obeyed your order and returned to its former quietude; you are
still the Master of land and sea.

We live in the shadow of a danger over which we have no control. The Gulf, like a
provoked and angry giant, can awake from its seeming lethargy, overstep its
conventional boundaries, invade our land, and spread chaos and disaster.
During this hurricane season, we turn to You, O loving Father. Sparing us from past
tragedies whose memories are still so vivid and whose wounds seem to refuse to
heal with the passing of time.

O Virgin, Star of the Sea, Our Beloved Mother, we ask you to plead with your Son in
our behalf, so that spared from the calamities common to this area and animated
with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to
reach the heavenly Jerusalem where a storm-less eternity awaits us.

Amen.
